How to use the BYO Video Editor

Step 1: Check the email associated with your **YouTube Account** and look for an email from ATETVCustom@gmail.com. (The email will look like the image below.)

Step 2: Click **“Accept Invitation.”**

Step 3: An **Accept Invitation** webpage will open on your screen. Click **“Accept.”**

(**Note:** Make sure your pop up blocker is turned off or allows pop-ups from Google.) How to do this depends on the web browser you are using, such as Google Chrome, Mozilla Firefox, etc...

You may also accept the invitation using a mobile device, such as your cell phones or tablets, but make sure you turn your device at different angles as the accept button may not be visible one way.

Step 4: Once you have clicked “**Accept**,” another page will pop up that looks like the image below.

Step 5: Go to *youtube.com*.

Step 6: Click the **logo** in the upper right hand corner.
(A drop down menu will display.)

Step 7: Click "ATETV Custom Video."

Step 8: Click the “logo” again.

(The logo image will now have changed to display the ATETV logo image.)

(A drop down menu will display.)

Step 9: Click “Creator Studio.”

Step 10: Click the **drop down arrow** next to create on the left hand side.

Step 11: The following options will display:

Step 12: Click “Video Editor.” The following will display:

Step 13: Click the **drop down triangle** next to project and click **“New project.”**

Step 14: The below message will pop up on your screen. Click **“Ok.”**

Step 15: “My Edited Video” will display in the box next to **Project**. Type the **name of your project** in that box.

Step 16: Search for clips and then drag and drop your clips, adjust the features, etc....and then **click “Create video.”**

(For more information on how to do Step 14, watch the “How to Video Tutorial,” available on www.buildyourownvideo.org and/or reference the “YouTube Video Editor” section in the Production Guide.
